DEDICATION

*WE DEDICATE THIS TOWN REPORT IN MEMORY OF
ROSCOE S. PUTNAM, JR.
NOV. 5, 1940 - DEC. 7, 2007*

Roscoe S. Putnam, Jr. served the Town on the Zoning Board of Adjustment, first as an alternate and then as a full member, starting in November of 1997 up until his passing. He was happiest among his animals and grandchildren on Smurf Country Farm where he was better known as Papa Smurf. He could be found sharing his friends with folks in nursing homes, adult day care centers and at Old Home Days in various neighboring towns.

DEDICATION

*WE ALSO DEDICATE THIS TOWN REPORT IN MEMORY OF
PATRICIA M. CAMPBELL
JUNE 13, 1936 - DEC. 9, 2007*

Patricia M. Campbell served for many years on the Stoddard Planning Board, including years as its chairperson, and as an advisor on the Master Plan for the town. She was instrumental in the conservation effort to save Pickerel Cove on Highland Lake. She served as tax collector for a number of years, was a founding member of the CSA community gardens and had been active with the Harris Center for Conservation Education. Patricia worked tirelessly in efforts to help the town of Stoddard, and she was loved and respected for her unwavering support and love for her family, as both a mother and grandmother.

AUDITORS' REPORT

The records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustee of the Trust Funds, Cemetery Commission, and Library Trustees have been examined pursuant to RSA: 41.31 for the year ending June 30, 2007.

This audit was conducted by balancing all accounts, checking all income and expense vouchers and verifying the method of handling all aspects of the financial positions of the Town of Stoddard. This included the procedures used by the duly elected Officers and appointed personnel charged with the responsibilities of the positions listed above.

In the opinion of this Auditor, the above accounts, together with their financial statements, present fairly the financial position for the year end of the Town of Stoddard. These records also conform to generally accepted accounting principles applied using the cash basis method.

Respectfully submitted,

Gale Saleski, Auditor

ART. 13: To see if the Town will vote to raise and appropriate the sum of \$190,180.00 for winter and summer maintenance, emergencies and planned repair of Town roads and bridges. The Selectmen recommend this appropriation.

ART. 14: To see if the Town will vote to raise and appropriate the sum of \$183,856.00 for Recycling and Transfer Station expenses for the ensuing year. The Selectmen recommend this appropriation.

ART. 15: To see if the Town will vote to enact a bylaw under RSA 147-M:17 prohibiting contractors from bringing construction debris to the Stoddard Transfer

Station, and providing the Board of Selectmen the authority to levy a civil penalty of \$500.00 for each act which violates said bylaw. The Selectmen recommend this article.

ART. 16: To see if the Town will raise and appropriate the sum of \$1,750.00 to The Community Kitchen Inc. in Keene, NH for reimbursement of services provided to Stoddard residents for the 2007 year. **(By Petition)** The Selectmen recommend this appropriation.

ART. 17: To see if the Town will vote to raise and appropriate \$800.00 for HCS - Home Healthcare, Hospice and Community Services to support the continuance of visiting nurse and home health services being provided to the residents of Stoddard. **(By Petition)** The Selectmen recommend this appropriation.

ART. 18: To see if the Town will raise and appropriate a sum not to exceed \$1,200.00 to support an exercise program funded for the Senior Citizens of the Town of Stoddard, designed by the Home Healthcare, Hospice and Community Service, known as "AGE IN MOTION". This program for all area Seniors (60+) will meet in the Town Hall on Tuesday and Thursday afternoons for a period of 10 weeks. The funds will cover the cost of a trained physical exercise leader and equipment. **(By Petition)....** The Selectmen recommend this appropriation.

ART. 19: To see if the Town will vote to raise and appropriate the sum of \$19,870.00 for the operation and maintenance of the Davis Library. The Library Trustees and Selectmen recommend this appropriation.

ART. 27: To see if the Town will vote to raise and appropriate a sum not to exceed \$5,000.00 to fund the part-time position of Compliance Officer. Adjustment of building permit fees, by the Planning Board, to include compliance review charges could offset this funding in its entirety. The Selectmen recommend this appropriation.

ART. 28: To see if the Town will vote to raise and appropriate the sum of \$2,500.00 and approve the creation of an 11 member Building Committee comprised of Stoddard resident taxpayers to be appointed by the Town Moderator. The Building Committee will, through research and study, and collaboration with town officials, boards and other committees, recommend to the townspeople and Selectmen plans for future buildings, improvements, and additions to existing buildings and maintenance of all town properties. This article hereby replaces the current building committee created under articles 22 and 23 at the 2007 Stoddard Town Meeting. **(By Petition)** The Selectmen recommend this article.

ART. 29: To see if the Town will vote to raise and appropriate the sum of \$250,000.00 (Two Hundred and Fifty Thousand), of which \$197,000 (one Hundred and Ninety-Seven Thousand) is for the purpose of purchasing the buildings and land on Lot 128-09, located at 1460 Route 123 North in Stoddard, N.H., next to the Stoddard Town Hall, and the balance to be used to begin renovations to the building and/or property. The purpose of this purchase is to provide town office space and appropriate parking for this building and the Stoddard Town Hall. **(By Petition)** *The Selectmen do not recommend this appropriation.*

ART. 30: To see if the Town will vote to raise and appropriate the sum of \$275,000 for the purchase of land (and buildings) known as Anytime Auto (located at 830 Rt.9 Stoddard) to be used for town offices and possibly a south fire station for the Town of Stoddard. **(By Petition)** *The Selectmen do not recommend this appropriation.*

ART. 31: To see if the Town will raise and appropriate \$500.00 for materials used in public plantings at the Town Hall, Library, Recycling Center and the Shedd Hill Bridge, for the beautification of Stoddard. The monies will be donated to the Stoddard Garden Club for this purpose, labor will be provided at no expense by Garden Club member. **(By Petition)** *The Selectmen do not recommend this appropriation.*

ART. 32: To see if the Town will vote to raise and appropriate the sum of \$75,000 for improvements, repairs and an addition to the existing fire station building. It is proposed to install a septic system, running water to the kitchen and to a new bathroom, build an 8' X 20' addition, and purchase a commercial washer and dryer. **(By Petition)** *The Selectmen do not recommend this appropriation.*

ART. 33: To see if the town will vote to raise and appropriate the sum of \$1,500.00 for building a Skatepark for the Kids and families of Stoddard. **(By Petition)** *The Selectmen do not recommend this appropriation.*

ART. 34: To see if the town will vote to raise and appropriate the sum of \$8,750.00 for hydro seeding the ball field and replacement of the outfield chain link fence at the ball field. **(By Petition)** *The Selectmen recommend this appropriation.*

ART. 35 To see if the voters of the Town of Stoddard will approve the adoption of a procurement policy to be followed by the Town officials of Stoddard. The policy will provide for obtaining goods and services for the Town of Stoddard at the lowest possible price consistent with the quality needed, to exercise financial control over purchases, to clearly define authority for the purchasing function, to assure the quality of

purchases, to allow fair and equal opportunity among qualified suppliers and to provide for increased public confidence in the procedures followed in public purchasing. All purchases of goods or services more than \$1,000 and less than \$5,000 will require three verbal quotes; more than \$5,000 and less than \$10,000 will require three written quotes; more than \$10,000 will require the process of obtaining competitive bids, initiated by the issuance of a request for bids accomplished by 1) letters to known providers soliciting bid responses; 2) advertisements shall be posted in three (3) public locations within the Town of Stoddard; 3) advertisements soliciting bids shall be placed in a local newspaper or media of general circulation. **(By Petition) The Selectmen do not recommend this article.**

ART. 36: To see if the Town will vote to approve the following resolution to be forwarded to our State Representatives, our State Senator and our Governor:
Resolved: we the citizens of Stoddard, NH believe in a New Hampshire that is just and fair. The property tax has become unjust and unfair. State leaders who take a pledge for no new taxes perpetuate higher and higher property taxes. We call on our State Representatives, our State Senator and our Governor to reject the "Pledge", have an open discussion covering all options, and adopt a revenue system that lowers property taxes. **(By Petition) The Selectmen recommend this article.**

ART. 37: To transact any other business that may legally come before this meeting.

Given under our hands and seal this 14th day of April in the year of our Lord, two thousand and eight.

STODDARD POLICE DEPARTMENT REPORT

Over the years I have tried to maintain a three man Police department, all of which work part-time. Since the passing of Lieutenant Roger Turcotte and the resignation of Ken Dooley, it has been extremely difficult to find replacements for these positions. I believe this is due to training requirements that the New Hampshire Police Standards & Training council has imposed. All newly Certified Officers are required to undergo and pass psychological and physical testing followed by Two Hundred Hours of Para-Military training at the Police Academy located in Concord. This is a fourteen week commitment that consumes nights and weekends. In December Tom Chagnon signed on with the Department. Tom brings with him twenty-four years of experience as a full time Police Officer from Enfield Connecticut. Tom brings with him a sense of commitment and professionalism.

The Stoddard Police Department, through a statewide grant, has received another Astro Digital portable radio. Although we are still operating with the analog system, the new digital system will be up and running in the near future. Also through a grant, the Department has received an Automatic External Defibrillator. Because of the mobility of police officers in cruisers, we can often respond to incidents of unconsciousness or sudden cardiac arrest more rapidly than EMS personnel. Equipping our cruiser and training our officers in the use of AED's increases our potential for saving lives.

I would encourage any resident, either year round or summer, who have any questions or comments about the Police Department to contact me so that a proper response to the issue can be made. This Department is here to serve you and the community at large.

The Stoddard Police Department has recently entered in the Regional Prosecutor Program. In the past, Stoddard Police Officers prosecuted their own cases in Keene District Court. These involved both violations and misdemeanor cases. Prosecuting cases takes a significant amount of time and resources. Additionally, officers are facing defense attorneys, sometimes causing plea bargains and sometimes losing cases to technicalities that a trained prosecutor could address. Although this comes to us with an additional costs, I believe it is money well spent.

Over the last several years we have requested that each homeowner assure that their house is identified with the house number they were issued. Having a house identified is very important in providing quick response to an issue. If you have not yet identified your property with numbers that are at least three inches high in a clearly visible location, please do so in order to be located if an Emergency arises.

In closing, we wish to remind everyone that in case of an Emergency please call **911**. If it is not an Emergency and you need a Police Officer or Animal Control, call **355-2000**.

Respectfully Submitted
David Vaillancourt, Constable/Police Chief

STODDARD FIRE & RESCUE REPORT

The call volume for January to December 2007 was 133.

74 EMS (Medical)	21 Motor Vehicle Accidents	10 Mutual Aid Requests
6 Brush Fires	7 Electrical	2 Carbon Monoxide
3 Fire Alarms	10 others	

The department conducted 10 rescue, 10 fire training sessions and 11 business meetings throughout the year. We did a 16 hour auto extrication course which involved 8 hours of classroom and practical skills. We would like to thank Land Contractors for the use of their facility for the hands on training and the people that donated vehicle for the training.

In April 2007 SWNH Mutual Aid decided not to conduct radio checks on Sunday mornings due to the lack of participation. So every Wednesday at 6 PM the fire and rescue personnel conduct a vehicle and equipment check. People are welcome to visit the department on any Wednesday evening. This is also an opportunity to talk with members of the department to ask questions and what the fire and rescue department is about.

We would like to congratulate Margo Santoro in obtaining her Emergency Medical Technician. This now brings the rescue up to 5 certified medical personnel. We are always looking for members for the rescue to become a certified Emergency Technician. This involves 200 hours of classroom and testing time. No easy task for someone that volunteers.

We welcome new members Brian Johnson and Doug Whitcomb. We said goodbye to Eric Manning who had 4 years, and Jason Cunningham who is pursuing a career in police service.

We took delivery of the new four wheel drive pumper/rescue vehicle (Engine 2). This engine replaced the 1976 International pumper.

The sale of the fire department T-shirts are a big hit. This year we added sweat shirts for \$23.00. We have had several requests for youth's T-shirts. This year at Old Home Days we will be selling youth's T-shirts. We would like to thank the Mill Village Store for selling T-shirts for us throughout the year.

The fund raisers department conduct during the year a chicken BBQ, Christmas wreath and shirt sales. The money is used to sponsor the Halloween & Christmas party for the young kids in town.

This year the department used the Educational Safety Trailer from Southwest Fire Mutual Aid during Old Home Days. Thanks to Mr. & Mrs. Lewis Clark for the use of their property. We also used it to conduct a safety program during fire prevention week at the elementary school in October. This was a big hit with the children. We hope to do it again this year.

Sincerely submitted,

Chief Patricia J. Lamothe
Deputy Chief Wally Weaver
Fire Captain Randy Weaver
Rescue Captain Matt Cerbone
Fire Lieutenant Donald Holland, jr.
Rescue Lieutenant Jesse Pollock

STODDARD CEMETERY COMMISSION
Stoddard, New Hampshire
2007

2007 was another busy season for your Cemetery Commission. At Dow Hill Cemetery we added five more "Memory Trees", planted to commemorate loved ones with the planting of a Flowering Crab Apple Tree! This Spring should bring a show of beauty to Dow Hill!

After spending time in the oldest part of the cemetery ~ located at the bottom of the hill, along the stone wall that lines that section, it struck me that there were NO STONES! Being the oldest part of the cemetery, there were many folks that rested here, but their wooden crosses or wooden markers no longer visible. With this in mind, your commission has had a plaque cast commemorating the unmarked graves of our early settlers. This plaque will be presented at the annual Town Meeting, and placed on the large boulder that is located in that section of the cemetery. A dedication of the plaque will be scheduled for later on in the year...Possibly during Old Home Weekend. Watch for further notices of the date & time.

New Town Cemetery

The town received a generous bequeath of a trust from Emerson and Ruth McCourt in honor of their grandfather and grandmother Whittemore interred there. Interest from the trust is to be used for maintenance of stones in New Town Cemetery located on Mt. Stoddard Road. We hope to put those funds to good use in the 2008 season. George & Sally Cahill have generously installed a new vinyl gate at the cemetery! The old one was in very poor condition and the new one is so attractive. Many Thanks to George & Sally!

Stevens & Robb Cemetery

Stevens, on Forest Road and Robb Cemetery in South Stoddard, both have new signs. Two Flowering Crab trees were given to honor loved ones and planted by the entry at Robb.

Two remote cemeteries, Jefts and Joslin were visited this year. One was found to need considerable clean up and the Faulkner family has generously agreed to remove the brush and fallen trees from Jefts Cemetery. Many thanks to the family. Joslin Cemetery was found to be kept in immaculate condition. We would extend our gratitude to Edna Welch who has done a wonderful job in caring for it. A Special "Thank You" goes out to our two caretakers, Myron Rokoszak and Wayne Fulton who do such a great job maintaining our cemeteries.

Beverly A. Power, Chairman

**STODDARD ZONING BOARD
2007**

Your Zoning Board would like to take this opportunity to express our sadness at loosing one of our own this year, Roscoe Putnam. We will miss his quiet, common sense approach to solving the complex problems that come before us. Most especially, we sill miss his “Smurffy Smile!”

Our alternate, Nancy Robinson will now serve as a full time board member. Ruth Ward will join us in the position of alternate.

The Stoddard Zoning Board of Adjustment meets as needed to consider applications for zoning variances, special exceptions and equitable waivers. The hearings held in 2007 all related to development on or near lakes. With this in mind, representatives from the board attended the Spring Planning and Zoning Conference at the Center of NH in Manchester offered by the NH Office of Energy and Planning. Significant changes to the Comprehensive Shoreland Protection Act, which governs development along NH shorelands and the waterfront buffer that protects our waters, effective April 1, 2008, have taken place. Your board is now updated to effectively serve the Town of Stoddard.

WATERFRONT RESTRICTIONS: Development near the water has its own special set of limitations: a buffer zone of 50 ft. from the edge of the high water mark shall be left undisturbed to prevent siltation into the waterway. There are other restrictions that apply to waterfront buildings or decks, porches and alterations to those buildings, so please be familiar with those restrictions **BEFORE COMMENCING TO MAKE ADDITIONS**. Those restrictions are described in the Stoddard Community Planning Ordinance. These restrictions apply to **ALL BUILDINGS**, whether they are new or pre-exist zoning. Being Grandfathered does not mean you do not have to comply, but instead, that you may need a variance **BEFORE** you proceed with any alterations within the 25 ft. side line or within the 50ft. Setbacks from water.

FYI: In the Town of Stoddard, a building needs to be set back 25 feet from its lot lines. This applies to not only the interior living space of the building, but also the porches, additions, decks, garages, etc. A utility shed

that is LESS THAN 100 sq. ft. can be located as close as 15 feet from a lot line. Utility sheds, garages or other storage buildings over 100 sq. ft. need to be a minimum of 25 feet from any lot line.

STODDARD DAVIS PUBLIC LIBRARY FUNDS

June 30, 2007

Ruth M. Cutter Fund

It was established in 1984 with a donation of \$2500 for general use with interest only available.

Mildred and Horace Mason Fund

It was established 9/6/1992 with a donation of \$500 by Susan, Warren and Christopher Wissemann and Meredith Failla in memory of Susan's parents (and Christopher and Meredith's grandparents). Additional donations were made by Mr. And Mrs. Daniel Englert (\$25) and Lydia and Andrew Abello. All funds can be spent and the Library Trustees determined that the money would be used for "enhancing our services for the children of Stoddard."

Nelson Fund

It was established in 1947 with a donation of \$1000 for general use with interest only available.

Florence L. Ward Fund

It was established 12/30/1991 for general use with a donation of \$500 from Florence L. Ward's estate. All funds can be spent.

Library Trustees Fund

It was established in 2006 for general purposes and includes improvement donations.

Some of these funds have not historically generated much interest and we decided to make some changes. The individual accounts were closed and in January the principal amounts were combined in a single CD along with the Trustees Fund which will hold the interest and donations which can be utilized for library projects. As before, interest for individual funds will be recorded.

DAVIS PUBLIC LIBRARY STODDARD

**Investment Plan
November 13, 2006**

With the intention of maximizing growth and minimizing risk, at this time principal monies in trust for the library will be kept in CDs. At renewal, the interest will be placed in a savings or checking account to be used when needed. The donor's original intent, when known, will at all times be respected.

The Stoddard Selectmen will be expected to allocate town budgeted library funds on a regular schedule so it is available when needed, as prescribed by RSA 202-A:11 II.

A letter from your librarian;

First of all, I would like to thank the townspeople who voted to increase the library's annual budget at last year's town meeting. Please come into the library to see what your generosity has done for our community library.

The library is now open 10 hours per week in the winter and 12 hours per week in the summer and stays pretty busy during that time with summer being very busy. Library membership has tripled in the past year and a half. Over 100 new people have come in over this past year and continue to use the library on a monthly basis.

We have continued to cull outdated books and add new titles for children and adults as well as new DVD's, videos and books on tape. We also have a great selections of magazines for you to check out. The library has become more comfortable with the addition of new carpeting, curtains and pillows donated by many generous volunteers in our community. As a result, we are able to host a monthly story and craft hour that has been very successful and a lot of fun for all. A Friends of the Davis Public Library group is forming and should be up and running shortly, helping to continue to improve the library services for our community. Please stop in to see what is new at our public library. Remember library services are free and available to all residents of Stoddard.

Sincerely, Amy Kraemer, Librarian

FOREST FIRE WARDENS REPORT

Last year was a busy year throughout the state. Here in Stoddard we encountered a few non-permit fires, a few brush fires and a few fire investigations. A record year of almost 200 permits were issued in the town of Stoddard. That in itself is a lot of permits and burning. A reminder to all that any fire must be attended at all times and totally extinguished. You need to plan ahead depending on the size of the fire you have to start extinguishing the fire so that the fire is dead out when the permit is null and void. We find more times than not that people believe they can start extinguishing their fires at the time the permit is null and void.

I would encourage people who wish to have a permit to kindle a fire to please plan ahead to request a permit before they need one. We can write a permit in advance and date it for the day of the burn, weather permitting. People requiring a seasonal permit should also plan ahead so your permit is ready to go when you need it. We encountered a lot of people who wanted permits when they were here for a weekend and had a hard time finding someone to issue them one. Remember you cannot burn without a permit and anyone burning without a permit is in violation of the law.

Stoddard responded to a few out of town fires and assisted in the extinguishment of brush fires. One of the biggest fires was in the town of Chesterfield, 26 acres on the side of Wantastiquet Mountain during the month of May. As Special Deputy Wardens for the State of New Hampshire, Shannon Sarcione and I spent the night patrolling with other Special Deputy Wardens and Firefighters. The next day we worked the fire for another 8-10 hours. Stoddard was called to respond with the tanker and manpower to help in the extinguishment.

I would like to remind everyone that a Forest Fire Permit is necessary for any type of open fire in the State of New Hampshire. Fire Permits are now assigned by category.

Category I Fire: means a small controlled fire, such as a camp or cooking fire, no greater than 2' in diameter contained within a ring of fire resistive material or in a portable fireplace. A category I fire, conditions permitting, may be kindled with a permit at any time of day whether raining or not.

Category II Fire: means a controlled fire, such as a camp or cooking fire, no greater than 4' in diameter contained within a ring of fire resistive material or in a portable fireplace. A category II fire, conditions permitting, may only be kindled with a permit between the hours of 5:00 pm and 9:00 am unless it is actually raining.

Category III Fire: means a controlled fire, not a category I or II fire or a fire greater than 4' in diameter of a fire not contained within a ring of resistive material. A category III fire, conditions permitting, may only be kindled with a permit between the hours of 5:00 pm and 9:00 am unless it is actually raining.

Category IV Fire: means a commercial permit with special requirements which will enable contractors and municipalities to burn approved materials between the hours of 9:00 am and 5:00 pm.

The Forest Ranger and Forest Fire Warden will inspect the proposed burn site for compliance with all applicable rules. The Category IV permit does not permit the

burning of stumps or materials greater than 5” in diameter. It does not permit the burning of treated materials or demolition materials without NH DES approvals. The approval and signatures of the Forest Ranger and the Forest Fire Warden is required on the permit.

A category I fire must be at least 25’ from any structure and a category II fire must be at least 50’ from any structure. Brush and wood cannot exceed 5” in diameter. No household waste, treated wood or composite materials may be burned.

Any person violating the fire permit law and its provisions, and any person who willfully or recklessly kindles a fire that endangers woodlands, shall be guilty of a misdemeanor punishable by a fine up to \$2000.00 and/or up to one year in jail, or both.

Fire permits can be acquired from the following people:

Forest Fire Warden	Joseph Sarcione	446-7144
Forest Fire Deputy Warden	Patricia Lamothe	446-7430
Forest Fire Deputy Warden	Jesse Pollock	446-3428
Forest Fire Deputy Warden	Lewis Clark	446-3480

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing **ANY** outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

Fire activity was very busy during the spring of the 2007, particularly late April into early May. As the forests and fields greened up in later May the fire danger decreased. However, a very dry late summer created very high fire danger again from August into September, with fire danger reaching very high on Labor Day weekend. Even with the dry conditions, the acreage burned was less than half that of 2006. The largest forest fire during the 2007 season burned approximately 26 acres on the side of Wantastiquet Mountain in Chesterfield during the month of May. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2007 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

Home Healthcare, Hospice & Community Services
Report to the Town of
STODDARD
2007

Annual Report

In 2007, Home Healthcare, Hospice and Community services (HCS) continued to provide home care and community services to the residents of Stoddard. The following information represents HCS's activities in your community during the past twelve months.

Service Report

Services Offered	Services Provided
Nursing.....	121 Visits
Physical Therapy.....	17 Visits
Medical Social Work.....	2 Visits
Home Health Aide.....	105 Visits
Health Promotion Clinics.....	6 Clinic

Total Unduplicated Residents Served: 17

Prenatal and well child care, hospice services and regularly scheduled "Nurse Is In" clinics are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2007 with all funding sources is projected to be \$32,664.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants, HCS fund-raising efforts, and patient fees. Services that were not covered by other funding have been supported by your town.

For 2008, we request an appropriation of \$800.00 to continue to be available for home care services in Stoddard.

Thank you for your consideration.

GRANITE LAKE VILLAGE DISTRICT
Minutes of the July 8, 2007 Annual Meeting

The Annual Meeting of the Granite Lake Village District was held July 8, 2007 at 10:30 AM. The meeting began a few minutes late as the Moderator, Commissioners, and residents of the District conferred briefly.

John Halter called the meeting to order and commenced by saying the meeting may or may not be deemed legal and proper because of the short notice posted for the budget hearing held in June. However, he indicated it was up to the State and, barring any further complaint, the actions taken in the meeting would probably be considered legal. With this understanding, the meeting continued.

Article 1 was read: To choose one Commissioner for a term of three years and to see whom the inhabitants of the District would elect for the offices of Clerk, Treasurer, and Moderator, each for the term of one year. Nominated: Tim Ruehr Commissioner, Sally Ripley Clerk, Tom Yocono Treasurer, and John Halter Moderator. Tim Ruehr had rescinded his nomination as Commissioner and, after retiring as Treasurer, Tom Yocono was nominated to fill the position. Sally Ripley also withdrew her name and Susan Kingsbury was nominated in her place, in absentia. Phil Hamilton was nominated to fill the remaining two years in the term of Commissioner that Bob Woods had resigned. Ron Ferguson was nominated for Treasurer, also in absentia. With these substitutions, the Article was appropriately moved, seconded, and the vote was in the affirmative.

Article 2: To see if the District will vote to authorize the Commissioners to borrow in anticipation of taxes. The Article was appropriately moved and seconded, the vote was affirmative.

Article 3: To see if the District will raise and appropriate the sum of \$520 to defray Village District expenses for the ensuing year. The Article was appropriately moved and seconded. The vote was affirmative.

Article 4: To see if the District will raise and appropriate the sum of \$750 to purchase liability insurance. The Article was appropriately moved and seconded. The vote was affirmative.

Article 5: To see if the District will raise and appropriate the sum of \$500 to add to the Capital Reserve Fund for dam maintenance and repair, or replacement. The Article was moved and seconded. The vote was affirmative.

Article 6: To see if the District will accept funds from the Granite Lake Association or from any other source for the purpose of repairing, maintaining, or replacing the dam. The Article was appropriately moved and seconded, and the vote was affirmative.

Article 7: To see if the District will schedule its next annual meeting to precede the annual Granite Lake Association to be held on the second Sunday in July 2008. The Article was appropriately moved and seconded, and the vote was affirmative.

There was a motion to adjourn. It was seconded and voted in the affirmative. The meeting ended approximately 11:15 AM, July 8, 2007.

Respectfully,
Sally Ripley, Clerk

Motion by Lou Grandpre', seconded by John Halter.

Moderator states he has written requests for a statue for ballot vote on this article and article 23, & 24.

Lou Grandpre' (Selectman) discusses article and the plans on display, for both town offices and fire department. The plans you see here now were put

together free by a designed built contractor so we could present this to you tonite. The money raised now would be used to put together preliminary plans for all offices and to work with those persons involved and also to have an open meeting for the town for any other suggestions & ideas.

More discussion.

AMENDMENT proposed by Hilary Harris for this article to read:

To see if the Town will vote to raise and appropriate the sum of \$25,000.00 to program and design and develop full architectural, structural, mechanical and electrical drawings for the proposed town office building. The process by which these drawings are generated will include:

Appointing a Building Committee that will consist of no more than five people and no less than three whose purpose it will be to represent the people of the Town of Stoddard, to collaborate directly with the proposed design/build firm during programming, schematic design, design development and the construction document process. Seconded by Geoff Jones. Hilary Harris speaks on her amendment and addresses concerns she is hearing. More discussion. Voice vote not clear. On a standing vote the Moderator declares the Amendment manifestly in the affirmative.

More discussion. Motion to limit debate. Debate passes by voice vote.

Ballot vote proceeds. YES 82 NO 62

THE STATE OF NEW HAMPSHIRE
2008 WARRANT**

To the inhabitants of the School District in the town of Stoddard qualified to vote in District affairs:

You are hereby notified to meet at The James Faulkner Elementary School Multipurpose Room on the 6th day of March 2008 at 7:00 p.m. to act on the following subjects:

1. To choose by nonpartisan ballot, the following School District officials:

1 School Board Member	3 year term
1 Moderator	1 year term
1 School District Clerk	1 year term
1 School District Treasurer	1 year term

2. To see if the School District will vote to raise and appropriate the sum of \$870,000 (Eight Hundred Seventy Thousand Dollars) for the construction of an addition to and renovation of the James Faulkner Elementary School, and to authorize the issuance of not more than \$865,000 (Eight Hundred Sixty Five Thousand Dollars) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the School Board to issue and negotiate such bonds or notes, to determine the rate of interest thereon, and to take all other action required to complete the project. Furthermore to raise and appropriate up to \$5,000 (Five Thousand Dollars) of any interest earned on investment of the bond proceeds toward costs of the construction. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (2/3 vote required)
3. To hear reports of agents, auditors, committees and other officers chosen. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (Majority vote required.)
4. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agents of the District. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (The funding for this Warrant Article is included in Warrant Article #5, the operating budget.) (Majority vote required.)
5. To see what sum of money the District shall vote to raise and appropriate for the support of schools, for the payment of salaries of School District officials and agents, and for the payment of statutory obligations of the District. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (Majority vote required.)

6. In the event that Article 2, proposing a bond issue, is defeated, to see if the District will vote to raise and appropriate the sum of \$216,000 (Two Hundred and Sixteen Thousand dollars) for a front entry renovation of the James Faulkner Elementary School. (If Article 2, the bond issue, is approved this article will have no legal effect.)
7. To see if the District will raise and appropriate 50% of any surplus remaining at the close of the current fiscal year, up to \$20,000 (Twenty Thousand Dollars) to be added to the Extraordinary Tuition Fund as established in March 2007, for the purpose of extraordinary tuition expenses. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (This appropriation is in addition to Warrant Article #5, the operating budget.) (Majority vote required.)
8. To see if the District will raise and appropriate 25% of any surplus remaining at the close of the current fiscal year, up to \$10,000 (Ten Thousand Dollars) to be added to the School Building Design, Expansion, Renovation and Construction Expendable Trust Fund as established in March 2007, for the purpose of school building design, expansion, renovation and construction. Stoddard School District

School Board Annual Report

Once again, it is time to report to the community on the activity of the Stoddard School Board. We believe that we have met the primary goals of providing an appropriate and excellent education for all students of Stoddard.

We want to commend the teachers, support staff and volunteers for their commitment to James Faulkner Elementary School and to the students. They are the ones on the front line who make the difference in our children's lives. They are the ones who make learning exciting and fun.

We have been fortunate to have two excellent principals guiding the teachers. John Thomas led the way in shaping the principal's position at JFES. Under his leadership, many new protocols were put in place that helped clarify the budget process and focused attention on educational needs and on technology.

When he resigned in June to take a teaching position, we were fortunate that Kathy McBride was available to assume the leadership in supervising the delivery of education as well as the management of school finances.

Ms. McBride has made some significant changes. She has scheduled "sacred time" for English Language Arts (ELA) and math, time every day that cannot be interrupted, shortened or used for other activities. Ms. McBride has personally tested students to determine their reading levels in order to be able to monitor progress. She has engaged the staff in the review of ELA and math curricula, along with the assessments that are being used to track student progress. She intends to phase in changes in those areas that will support improved student achievement. She also provides direct instruction to students in her role of cooperating teacher, which allows her to model best instructional practices.

After acceptable student performance over the last two years on the State assessments, the most recent NECAP test scores are disappointing. Our staff will review all the possible causes for the dip in performance as well as actions that need to be taken. Many of the program changes already described will address these lower test scores.

On her own initiative, Ms. McBride designed, and the Board has enthusiastically approved, a pre-school program for the 2008-2009 school year which will save the tax payers of Stoddard future expense by having specialists located at JFES working with students and not have to travel to meet students in their homes. While this program is designed to meet the needs of our State and Federal obligations to students with special needs, it will also be offered to any family with pre-school and kindergarten children. A special grant will cover some of the costs, however, most will be assumed in the savings of having an on-site local program.

The volunteer Facilities Committee has worked diligently and thoroughly with the Board to recommend to the community plans for an addition to JFES bringing the school in compliance with State space standards to provide an adequate and appropriate learning atmosphere. The Board cannot commend this committee enough for their sensitivity to Stoddard's multiple major capital projects while attempting to provide the best educational space for Stoddard's children. We want to take this opportunity to thank the participants for their dedication, time and effort.

The Board has submitted its list of proposed projects to the Community Improvement Plan Committee. In addition, the Board returned \$35,672 to the taxpayers of Stoddard last year while still funding the warrant articles for Extraordinary Tuition Fund, the warrant for School Building Design, Renovation, Expansion and Construction Fund, and the warrant to add money to the District Buildings and Ground Fund for the purpose of upgrading, maintenance or repair of the buildings and grounds. The generator has been installed and is functional in case of any emergency.

The Stoddard School Board continues its discussions with the Keene School District to confirm an AREA (Authorized Regional Enrollment Area) agreement. This process has continued for three years with no finalized agreement signed between the sending schools (Harrisville, Nelson, Chesterfield, Westmoreland, Marlborough, Marlow and Stoddard) and the Keene School District. The most important part of this document will establish how Keene School District will calculate tuition costs, which have been escalating every year. In addition, "it provides a mechanism for sending districts to participate in the evaluation and planning of programs at Keene High School." The AREA agreement expired in 2006 but continues to define the relationship of the sending towns in SAU 29 and of Stoddard to the Keene School District.

The Schools in Supervisory Unit 24 have been very fortunate these last 5 years to have the guidance of Superintendent, Dr. Christine Tyrie. Under her direction, the Board has been able to plan funding of the improvements at JFES. She has provided guidance and support for JFES administration. In addition, she has assisted the Board in systematically reviewing the policies and procedures that guide and protect our students.

Dr. Tyrie has resigned her position with SAU 24 effective at the end of June. We thank her for her dedication to JFES faculty and students, their families and the taxpayers. She has done an extraordinary job. We wish her well.

At their meeting in December, the Supervisory Union 24 Board selected Mr. Douglas White for the position of Superintendent. He has been working closely with the Stoddard School Board and Dr. Tyrie for three years and is well prepared to assume these duties. We welcome him, and we thank all the members of the administrative staff of SAU 24 for making our job so satisfying.

Respectfully submitted,

Principal's Report

James Faulkner Elementary School welcomed 47 students in Kindergarten through 5th grade on August 29, 2007. New staff members joining James Faulkner Elementary School this year including myself, are Tara Brochu, OT. My principal position includes time devoted to direct instruction of the students as well as administrative duties. Tara is a licensed Occupational Therapist and provides direct services to students on Thursday afternoons.

Annual School Goals 2007-2008

Goal 1: Literacy & Math

In all grade levels, we will hold sacred times devoted to effective teacher instruction of both literacy and math. In the area of language arts 90 minutes of sacred time and for math 60 minutes. As a school, we will adopt an assessment system to evaluate the level of student success.

Goal 2: Communication

Effective and consistent communication to all stakeholders. Make the community aware of our literacy and math initiatives and the great teaching at JFES.

Goal 3: Climate

The faculty, staff, and students of James Faulkner will work to create a community characterized by collaboration, always keeping these five core values in mind: responsibility, respect, caring, honesty, and fairness.

We have focused on these goals by keeping them visible and consistently working towards making them successful. Monthly faculty meetings and early release dates are used to develop what is the essential learning in math at each grade level. Once math essentials are completed, we will then begin work on literacy.

We hear much about assessment of student performance. Some of what we hear is positive, but often we hear comments that are negative. At JFES, we use assessment in a very positive way. We use assessment to drive our instruction. We also use the data to help us assess the curriculum we provide our students. Our goal is to provide the students of Stoddard with the best possible education. As we strive to do this, we may need to make changes in how and what we teach.

We could not provide our students with the quality of education and various activities that we do without the support of the Stoddard School Board, SAU staff, PTO, and all of the citizens of Stoddard. Thank you!

To the School Board
Stoddard, New Hampshire School District

In planning and performing our audit of the financial statements of the Stoddard, New Hampshire School District as of and for the year ended June 30, 2007, in accordance with auditing standards generally accepted in the United States of America, we considered the Stoddard, New Hampshire School District's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Stoddard, New Hampshire School District's internal control. Accordingly, we do not express an opinion on the effectiveness of the Stoddard, New Hampshire School District's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the District's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the District's financial statements that is more than inconsequential will not be prevented or detected by the District's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the District's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

This communication is intended solely for the information and use of management and the Board of Selectmen and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record, and its distribution is not limited.

You are hereby notified to meet at The James Faulkner Elementary School Multipurpose Room on the 8th day of March 2007 at 7:00 pm to act on the following subjects:

Moderator Daniel Eaton called the meeting to order at 7:05pm.

1. To choose by nonpartisan ballot, the following School district officials:
Michael Meyer moved to open the polls from 7:10 to 7:45 or until the end of the meeting. Brian Pratt seconded. Motion approved by voice vote.

1 School Board Member	3 year term	Brian Pratt
1 Moderator	1 year term	Daniel Eaton
1 School District Clerk	1 year term	Ellen Mason
1 School District Treasurer	1 year term	Joan Read
2. To hear reports of agents, auditors, committees and other offers chosen. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (Majority vote required.) George Davenport motioned. Ellen Blair seconded. Motion approved by voice vote.
3. To determine and appoint the salaries of the School Board and fix compensation for any other officers or agent of the District. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (The funding for this Warrant Article is included in Warrant Article # 4, the operating budget.) (Majority vote required.) Michael Meyer motioned. Alfrieda Englund seconded. Motion approved by voice.
4. Alfrieda Englund moved that the District shall vote to raise and appropriate the sum of \$1, 732, 041.00 (One million, seven hundred thirty two thousand, and forty one dollars) for the support of schools, for the payment of statutory obligations of the District. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (Majority vote required) Brian Pratt seconded. Motion approved by voice vote.

5. To see if the District will vote to create an expendable trust fund under the provisions of RSA 198:20-c to be known as the Extraordinary Tuition Fund for the purpose of extraordinary tuition expenses. Furthermore, to raise and appropriate 50% of any surplus remaining at the close of the current fiscal year, up to \$20,000 (Twenty Thousand Dollars) towards this purpose and to name the School board as agents to expend from this fund. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (This appropriation is in addition to Warrant Article #4, the operating budget.) (Majority vote required.) Brian Pratt motioned. Mary Lou Eaton seconded. Discussion followed. Motion approved by voice vote.
6. To see if the District will vote to create an expendable trust fund under the provisions of RSA 198:20 to be known as the School Building Design, expansion, Renovation and Construction Expendable Trust Funds for the purpose of school building design, expansion, renovation and construction. Furthermore, to raise and appropriate 25% of any surplus remaining at the close of the current of the current fiscal year, up to \$10,000 (Ten Thousand Dollars) to be added to the Stoddard School District Building and Design, Expansion and Renovation Fund and to name the School Board as agent to expend from this fund. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (This appropriation is in addition to Warrant Article # 4, the operating budget.) (Majority vote required.) Michael Meyer motioned. Alfrieda Englund seconded. Motion approved by voice vote.
7. To see if the District will raise and appropriate 25% of any surplus remaining at the close of the current fiscal year, up to \$10,000 (Ten Thousand Dollars) to be added to the Stoddard School District Buildings and Grounds Fund as established in March 2002, for the purpose of providing for any future upgrading, maintenance or repair of the buildings and grounds. (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (This appropriation is in addition to Warrant Article #4, the operating budget.) (Majority vote required.) Alfrieda Englund motioned. Brian Pratt seconded. Discussion followed. Motion approved by voice vote.
8. To see if the District will raise and appropriate up to \$40,000 (Forty Thousand Dollars) from any surplus remaining at the close of the current fiscal year, after funding the appropriations from the surplus set forth in Articles 5, 6, 7, to purchase and install a generator for the James Faulkner Elementary School. (SPECIAL WARRANT ARTICLE - THIS IS A NON-LAPSING ARTICLE THAT WILL NOT LAPSE UNTIL JUNE 30, 2009.) (THIS WARRANT ARTICLE IS SUPPORTED BY THE SCHOOL BOARD.) (This appropriation is in addition to Warrant Article #4, the operating budget.) (Majority vote required.) Alfrieda Englund motioned. Michael Meyer seconded. Discussion followed. Motion approved by voice vote.

9. To choose agents and committees in relation to any subject in the warrant.
Brian Pratt moved that Article #9 be postponed indefinitely. Alfrieda Englund seconded. Motion approved by voice vote.
10. To transact any other business that may legally come before the meeting.
Brian Pratt moved to postpone Article #10 indefinitely. Alfrieda Englund seconded. Motion approved by voice vote.

Meeting adjourned at 7:45pm.

ANNUAL REPORT

School Administrative Unit #24

Superintendent of Schools Report

Our SAU 24 schools continue to provide safe, well-managed and effective learning environments for the students of Henniker, Stoddard and Weare. Noteworthy items from the last twelve months include the following:

- ❖ Elementary enrollments are declining across the State. The official student count taken on October 1, 2007 in SAU 24 showed 2,532 students a decline of 97 students. However, a recent news article suggests that a new baby boom has just started which should increase elementary numbers in about five years.
- ❖ No Child Left Behind continues to drive education toward improving test scores in reading and math. In SAU 24, we are committed to strong academic programs and high quality instruction, believing that the scores will rise when those items are in place.
- ❖ The new Weare Middle School opened this fall. The bright hallways, spacious classrooms, and extra instructional spaces make possible the delivery of a high quality education for Weare students.
- ❖ A new principal was selected for the James Faulkner Elementary School in Stoddard. Ms. Kathy McBride is the new administrator as well as a cooperating teacher at the school.
- ❖ An addition to the Stoddard elementary school is being proposed to the voters in March. It replaces the 20-year-old mechanical and electrical systems and provides a multiuse classroom that can be used by a variety of teachers, classes and small groups. The addition includes more storage, more office/conference/work spaces and an expanded reception area, which will include a place for ill students to lie down.
- ❖ Mrs. Pam Shepard will be ending her tenure as principal of Henniker Community School after seven years. HCS continues to offer low class sizes, a strong and extensive academic program, and a staff that engages in data-driven decision making to improve student achievement.
- ❖ Mr. David Pabst will be leaving Weare Middle School after four years of service. After bringing the new school on line and focusing the staff on teaming and an interdisciplinary approach to learning, he is ready to take the next step in his educational career.
- ❖ Center Woods, along with WMS and HCS, has established a partnership with Professional Learning Communities, an initiative to focus all conversations on student learning and student achievement.

- ❖ The John Stark staff has continued a partnership with Expeditionary Learning. The staff will have completed required competencies for each course by this June and will begin working on implementing assessments for each competency next year.

I will be leaving SAU 24 at the end of this year. Assistant Superintendent, Douglas White has accepted the appointment to the position of superintendent beginning July 2008. I have greatly enjoyed the five years I have spent working with outstanding administrators and Boards. My heartfelt thanks for the opportunity to work in SAU 24.

Respectfully Submitted,

Christine D. Tyrie, Ed. D.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the School Board
School Administrative Unit #24

We have audited the financial statements of School Administrative Unit #24 as of and for the year ended June 30, 2007, and have issued our report thereon dated December 21, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered School Administrative Unit #24's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the effectiveness of internal control over financial reporting. Accordingly we do not express an opinion on School Administrative Unit #24's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely effects the entity's ability to initiate, authorize, record, process or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting and its operation that we consider to be material weaknesses as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Administrative Unit #24's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

Equalization Rate: Each year the Selectmen complete a report for the Department of Revenue Administration. This report lists all the properties sold in Stoddard for the past year with the sale price. The Selectmen must report the Assessed Valuation of the property and note if the sale was within a family or in some other way not qualified as a market value sale. Based on this information, the Department of Revenue Administration calculates the percentage of Assessed Value to Market Value.
